My Quinn-life Website

It is recommended that you safeguard your login details to prevent others accessing your My Quinn-Life web account.

You should always log out correctly from your web session by clicking the Logout button.

Also – remember that if you click the Back button on your browser, your web session will expire. This is a security measure. Use the Back buttons within the website to move back a screen.

You can access Help on the website at any time by clicking the Help button on the top of the screen. It is recommended that you read the help section before transacting an online switch or before changing your premium online for the first time.

You can get back to the home page, which lists all of your policies, at any time by clicking the “My Policies” button on the top of the screen.
